

One tool, endless possibilities

Business management
for busy entrepreneurs

Get paid faster with a powerful billing, invoicing and payments platform

Payment processing

Take all the ways customers want to pay — cash, card, check, digital wallets* and more — in the field or online 24/7.

Recurring billing

Reduce late payments and improve cash flow with recurring payments that deliver predictable revenue.

Accounting sync

Balance your books with ease thanks to a real-time sync between QuickBooks® Online and Payments Manager⁺.

Payment links

Send customers secure, convenient payment links via SMS or email.

Automation

Ditch duplicate efforts and reduce human error by automating invoicing and recurring payments.

Hosted payments page

Invite customers to pay through a secure branded payments page that reduces your PCI scope.

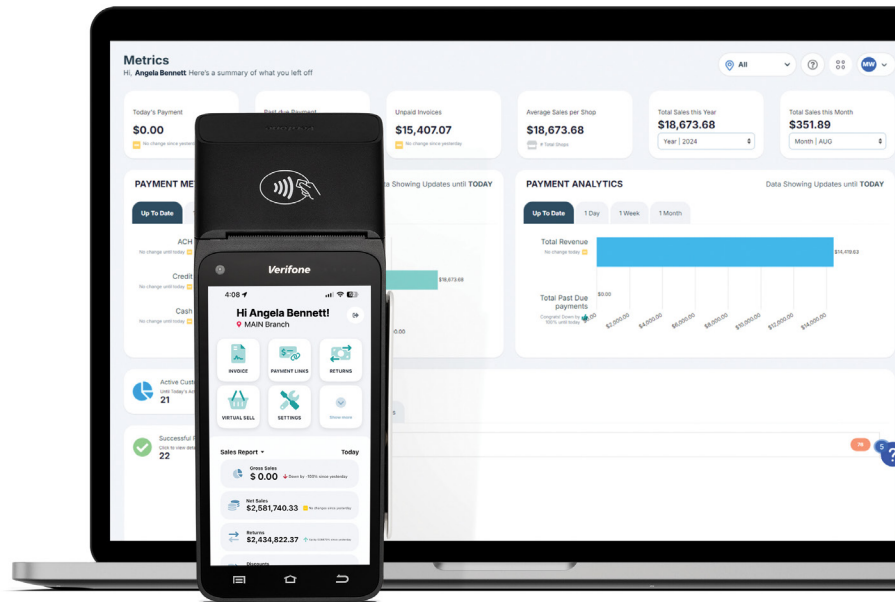

The stress it's reduced has been huge. I send out all the invoices with a couple clicks.

Katie,
Golden Oak Midwives

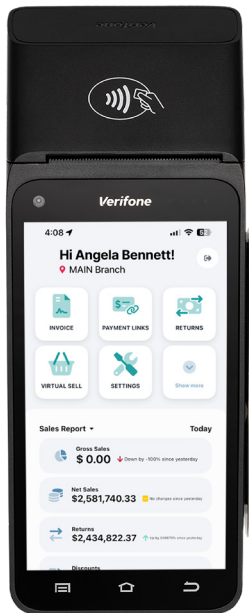

Take payments
**anywhere, anytime,
any way**

**Nearly 80% of consumers
are interested in leveraging
faster payment methods¹**

Flexible payments tech that works wherever you do

- ✓ **In your office** - Accept payments at your desk or counter through our secure virtual terminal or intuitive handheld device.
- ✓ **In the field** - Conduct business wherever your customers are with our mobile solution.
- ✓ **Online** - Offer 24/7 payment capabilities through your branded payment portal.

Streamlined **mobile management** to keep you moving

One-touch invoicing - Create and send invoices, and collect payments 24/7 through a virtual terminal on any device with internet.

Smart payment links - Send secure payment options via SMS text messaging or email that customers can complete in just three clicks.

Quick sales mode - In the field? Convert conversations into completed payment transactions without all the paperwork.

Instant returns - Turn potential customer frustrations into loyalty opportunities with on-the-spot refunds and adjustments.
